Chamber Retail Meeting – 6:00 pm

Present: John Lemon, Nickole Sis, and Ben Blecha

The question was posed: “If someone contacted the Chamber with a business that could employ 5 people, what could the chamber offer to help?”

It was decided to compile a resource list that could be given to such a person.

Key resources identified that needed to be in the list were:

- Financing
- Zoning
- Land/Buildings
- Educational Resources
- Tax incentives

We discussed other towns that were in our same situation and decided to contact them to identify resources that they offered. Each of us took two towns to report back to the next meeting.

- Imperial- Nickole and John
